Local communists are planning to celebrate December 11, the anniversary of the Canton "Red" Uprising. They intend to distribute literature secretly in the industrial sections of the Eastern and Western districts and outside the large departmental stores in Louza District, and to hold flying meetings between 5 p.m. and 7 p.m. in the vicinity of the junction of Thibet Road and Peking Road and on North Honan Road between Honan Road Bridge and Haining Road.

Swampside. Translated by a Communist Landlord, dated December 11
entitled "Open Letter to the Juvenile Masses in Kiangsu in
connection with the 7th Anniversary of the Canton Uprising",
purporting to have emanated from the Executive Committee of the
Kiangsu Provincial Committee of the Chinese Communist Youth League.

Rolling masses of juvenile labourers, farmers, soldiers,
and students throughout the Kiangsu Province! The grand 7th
anniversary of the Canton Uprising has come again!

On December 11, 1927, under the guidance of the Chinese
Communist Party, the brave proletarians at Canton started an
armed uprising against the imperialistic Kuomintang. The
victory of the Soviet Red Army means a fatal blow to the
imperialistic Kuomintang.

Rolling juveniles throughout Kiangsu Province! The 7th
anniversary of the Canton Uprising is a Soviet movement to establish
a new rule. The Soviet Central Government was inaugurated three
years ago, and Soviet districts have been founded in Szechuen,
Kwangsi, and Tweichow. The Red Armies of our brave labourers
and farmers are fighting against the enemy in Fokien, Kiangsi,
and at other places. Juvenile masses of the Soviet districts!
Arm yourselves and go to the front under the banner of the Chinese
Communist Party and the Chinese Communist Youth League in order to
sacrifice yourselves for the protection of the Chinese Soviets.

In order to carry out his Fascist movement, the shameful
Chiang Kai Shek has arbitrarily propagated that the Central Soviet
districts have been entirely recovered by him, and that the 5th
campaign has been successful. At present he is making use of
his "dogs" to hold celebrations at various places.

Oppose the celebrations to be held on December 10 by the
Kuomintang "dogs" in Shanghai! Oppose the 5th Plenary Congress
of the Kuomintang!

Juvenile workers and farmers throughout Kiangsu Province!
All that we receive from the Kuomintang is massacres, casualties,
unemployment, bankruptcy and unprecedented famines. Remember!

under the pretext of rendering relief in the famine areas, the Kuomintang is securing from the masses sufficient funds to attack the Red armies.

The Chinese Communist Youth League and the Kiangsu Provincial Committee are calling for the juvenile masses throughout Kiangsu Province to revolt!

Declare strikes and hold ~~mass~~ mass meetings in commemoration of the anniversary of the Canton Uprising!

Long Live the Independent Chinese Soviet Republic!

Oppose the Kuomintang's celebrations and the attack on the Soviet Red Army! Overthrow the 5th campaign of the Kuomintang!

Oppose the 5th Plenary Congress and overthrow the Nanjing Government!

Oppose the new attack of the Japanese imperialists!

Support the anti-Japanese vanguards of the Red Army!
Unemployed juvenile workers! Join the anti-Japanese vanguards of the Red Army!

Oppose the winter precautionary measures and the anti-calamity practices!

Demand that contributions to the famine relief fund and the proceeds derived from the famine relief debenture bonds be utilized for the support of unemployed workers, refugees, and famine-affected people.

Demand an increase in the rice allowance!

Summarized translation of a communist handbill dated December, 1934 entitled "Manifesto in commemoration of the 7th Anniversary of the Canton Uprising," purporting to have emanated from the Educational Society of the Toiling Masses.

Dear brothers and sisters of labour and peasant masses,

The Canton Uprising on December 11th of the 16th year of Chinese Republic (1928) was the first move of our labour and peasant masses to establish a Soviet government of our own, but three days later it met with failure at the hands of the joint forces of Kuomintang warlords and Imperialists. Nevertheless, our movement was immediately extended to Kiangsi and other provinces along the Yangtse River and in the 19th year (1930) the Soviet Provisional Central Government was established in Kiangsi. Look at our Red Armies at the front; they have crushed the 1st, 2nd, 3rd, 4th and also most of the present 5th Anti-Red Campaign which the Kuomintang warlords have launched with aid of foreign loans, guns and officers. Soviet Districts have been founded in the provinces of Szechuen, Hunan, Kweichow, Kwangsi, Kwangtung and Kiangsi. But the Kuomintang is spreading rumours saying that Juikin has been captured and is making preparations to hold a mass meeting to celebrate the victory.

The Kuomintang warlords are oppressing the toiling masses; they prohibit strikes, suppress anti-Japanese movements and have left our brothers in Manchuria to the mercy of the Japanese imperialists.

Join the Red Army and raise subscriptions in support of this force.

Support the Provisional Central Government of the Chinese Soviets.

Strike and protest against dismissals and demand wage increases.

Long live the Canton Uprising.
